

# For Such a Time as This – Update Report

## Progress to Date – June 1<sup>st</sup>, 2020

Dear friends and supporters. We are grateful to God and to you for the successes of Urban Mosaic's COVID-19 response in Mexico and Colombia. Here are some highlights from the first 75 days of efforts to address this growing pandemic, starting with the foundation of spiritual support, up through prevention, food and water, and health care and economic assistance.

### Spiritual Development

- Launched 175 (virtual) Shalom Groups with over 1,500 participants, studying the 26 Values to build a Shalom Culture
- Mobilized 28 organizations and hundreds of churches from 7 countries to join the 91x91 intercession campaign

### Prevention

- Helped 20,000 people learn about the Coronavirus and its impact
- Helped 62 churches and leaders and 80+ community groups prepare for Coronavirus

### Water

- Installed 100 water tanks and hand-washing stations in fragile urban communities to help 25,000 people practice virus protection by washing their hands

### Food

- Distributed 213 food baskets to local leaders and pastors and raised monthly support for pastors and leaders to offset their lost incomes
- In process of providing 150 units of laying hens, 75 rabbit units and 100 home vegetable gardens for 325 leaders
- In process of setting up the infrastructure to cultivate two larger community vegetable gardens, two small fish farms, and 3 ha of agricultural land

### Health Care

- Donated personal protection equipment (PPE), including 400 high security masks, 8,000 face masks, surface disinfectant (35 liters) and antibacterial gel (500 liters) to six hospitals and health centers in our region

### Children

- In process of launching 100 small kids clubs of 6-8 kids/club to create safe spaces for learning and growth for kids ages 5-12.

### Economic Assistance

- In process of launching a food cooperative for 50 families initially, to help reduce monthly food costs
- Developing business plans to launch microbusinesses in the next 3 months to help activate the local economy
